Deployment Document of Perspective Plan from academic session 2018-19 to academic session 2022-23

1. **Additional Programs:** The institution successfully launched various supplementary programs, enriching the educational content of existing curricula. Students gained additional skills and knowledge beyond their regular courses through these initiatives.
2. **Library Digitalization:** The institution converted library resources into a digital format, simplifying access for students and faculty. The digitalization process also contributed to the preservation of library materials.
3. **High-Quality Education:** The institution delivered exceptionally high-quality education, meeting rigorous academic standards. Faculty ensured students received top-tier education, equipping them with essential skills for future success.
4. **Research and Development:** The institution fostered research and development among both faculty and students, resulting in numerous publications and research projects.
5. **Program and Course Outcomes:** The institution successfully implemented program and course outcomes, ensuring well-defined learning objectives for students.
6. **Utilization of ICT:** The institution increased the integration of information and communication technology (ICT) in the teaching and learning process, enhancing the overall learning experience.
7. **Innovative Teaching Approaches:** Workshops and training programs were conducted to promote innovative teaching methods, enabling faculty to incorporate new techniques into their teaching.
8. **Outcome-Based Teaching:** The institution adopted an outcome-based approach to teaching and learning, ensuring students achieved desired learning outcomes through faculty training programs.
9. **Seminars and Workshops:** The institution organized seminars and workshops on curriculum development, supported by the UGC and the university, providing faculty exposure to the latest trends.
10. **Campus Expansion Master Plan:** A comprehensive master plan for campus expansion was developed, encompassing new buildings, furniture, computers, facility refurbishment, and technological integration.
11. **State-of-the-Art Facilities:** The institution provided cutting-edge facilities, including labs, libraries, and sports amenities, meeting the highest standards.
12. **Infrastructure Enhancements:** Substantial investments were made in upgrading both physical and technological infrastructures, enhancing administrative and educational capabilities.
13. **Environmental Sustainability:** Environmentally responsible practices were implemented to reduce the institution's carbon footprint and promote sustainability.
14. **Enhanced Security Measures:** State-of-the-art security measures were implemented to ensure the safety and security of both professors and students.
15. **Collaborative Partnerships:** Linkages and MoUs were established with nearby colleges, national/international bodies, NGOs, and organizations for various extension activities, fostering collaboration and shared initiatives.
16. **Holistic Student Engagement:** The institution actively engaged students in academic, co-curricular, and extracurricular activities, introducing skill enhancement classes for comprehensive development.
17. **Socially Relevant Events:** Events and endeavors centered around topics significant to society were supported and organized, aligning with the institution's commitment to social responsibility.
